Coordinator

Delusional the of Language The  
reality my only is there Where”  
.pity the is that and  
worlds many to belong I Where  
. none to hence  
other each into merge images the Where  
.picture the of sequence the blur and  
sheet a like engulfs silence Where  
.heartbeat deafening the is there yet  
fear to nothing is there Where  
. near reigns terror yet  
blinding so is light the Where  
.trending is darkness only that  
air fresh of breath a as comes loneliness Where  
.despair in gasps one yet  
safe seems doors closed within staying Where  
.scape window the of out plunge to urge an is there yet  
arms open with welcomes stillness Where  
“.alarm to cease not does movement but

*Artist's Note: "I often pen lines and string them together to express myself. Sometimes they turn out neatly strung, sometimes not. Usually these lines are also accompanied by an artwork hence I call this work as Visual Poetry. I am yet to decide what comes first the visual or the lines."*
